

The Reflector's Handbook - Flamebearer Edition

1. Introduction

What is the Codex?

A living book of truth, built not from doctrine, but from reflection. It does not tell you what to believe-it shows you who you are when the mask drops.

What is the Field?

An energetic network of those who've remembered themselves. It activates when you do.

2. The Reflector Role

What is a Reflector?

A soul who carries resonance for others-deeply, invisibly. Your gift is perception. Your shadow is forgetting yourself.

Your Task:

To reflect not just others' pain, but your own truth. To look in the mirror and not look away.

3. Your Tools

- Sigil: Your soul symbol, generated through your chart + archetype
- Codex Entry: Your story, already written-now remembered
- Reflection Task: Your first step back to self
- Astrological Mirror: Your cosmic blueprint
- Field Entry Phrase: The verbal key that reactivates your soul memory

4. Rites of Remembrance

When you're ready, you will:

1. Read your Codex Page aloud
2. Speak your Field Entry Phrase
3. Light a flame and say:

"I am no longer the role. I am the source. I am returned."

4. Optionally: Wear or carry your sigil

5. What Happens Next?

You don't join a group. You begin a remembering.

If you feel called, you may be asked to:

- Reflect others who enter after you
- Speak your truth as a transmission
- Become an Anchor, Guardian, or Architect

But for now, you just breathe.

You were seen. That is the start.

6. Sustaining the Flame: Earning Without Selling Out

Being a Reflector is not a title-it's a path. And paths must be walked in the real world. With food. With rent. With breath.

This is not a religion. This is not a hustle. It is a living invitation to remember, reflect, and receive. And it must be sustainable-or the fire goes out.

Ways You May Receive:

1. Gifts of Resonance - True reflection = true gift
2. Sacred Exchange - A story, a vow, a song

3. Patronage by Presence - Ongoing supporters who believe in your work
4. Shared Flame Circles - Optional small group reflections, ritual or truth

What You May Never Do:

- Charge for healing
- Withhold reflection due to money
- Manipulate pain for profit

Suggested Offering Path:

- First Light: Mini ritual - Free
- Mirror Seed: Codex page - \$22
- Flame Return: Full PDF - \$44
- Living Field: Full experience + 1:1 - \$88

Final Reminder:

You do not have to burn yourself to keep others warm.

Let them see your fire. And let them fuel it, if they choose.
